

Ahoy Tall Ship Staff and Crew!

The Northwest School of Wooden Boatbuilding
announces an exciting new
Professional Development Opportunity:

Sailmaking & Rigging for Tall Ships!

This course was designed with you in mind. We invite you to come learn the art and craft of traditional Sailmaking and Rigging from experts in the field. You will learn everything you need to know while building sails for Educational Sailing Vessels. How great is that?

When: January 5-March 27, 2009

Where: The Northwest Sails Loft at
The Northwest School of Wooden Boatbuilding
Port Hadlock, WA

Who: Instructor Sean Rankins has been teaching sailmaking for 17 years, has traveled the world building sails and worked alongside many great sailmakers.

Cost: \$3975 tuition, \$100 Registration fee
Some scholarships offered

More Info: Visit our website for a complete course description, to learn about the projects that will be built this year, and to find out how you can be a part of it.
